AT IRON SPRINGS—Project Man-
ager Fitch has gone to Iron Springs
where his family has been located,
for the rest of the summer.

NEW OFFICER—Captain Jose-
phine Plumridge has returned from
a two weeks' furlough at the coast
and has taken up her duties as act-
ing assistant adjutant general. The
captain makes a bonny soldier.

BACK TO HUACHUCA—Col. C.
W. Harris, adjutant general, left last
evening for the rifle camp at Fort
Huachuca, where thirty-two crack
shooters of the N. G. A. are practicing
for the national rifle meet at Fort
Riley. A team of sixteen men will
be sent from this state.

GAS SERVICE HEARING—The
corporation commission has set Sept.
3 as the date for hearing the com-
plaint against the Pacific Gas and
Electric company for failure to ex-
tend its service to certain blocks on
North Third street and Grand
avenue.

TO MEET AT DENVER—The cor-
poration commission yesterday wired
the commissions of Nevada, Montana,
Colorado and New Mexico, asking
them to participate in a conference
to be held at Denver, August 28, to
prepare plans for the hearing before
the interstate commerce commission
at Chicago October 6.

MINE HEARING—George W. Com-
stock, of Los Angeles, an inspector
of mines for the department of the
interior, is in Phoenix for the pur-
pose of taking testimony in several
delayed mine contests before the
register and receiver of the U. S.
land office. The hearings will com-
mence today.

**APPROVAL OF MINERAL SUR-
VEY**—The surveyor general has ap-
proved mineral survey No. 2118, As-
sembly, Rollor, Dorothy, Summit,
Anne L. Hay State, Big Bill, Badger,
Bonanza, Buster, Christopher, In-
dependence, Little Rhodie, Michigan,
Minnesota, Nellie Prudential, Sallie,
Superior, American Girl, and Paw-
tucket lodes, situated in the Bunker
Hill mining district, Pinal county.
These claims are owned by the Cal-
umet & Arizona Mining company.

LIKES PHOENIX BETTER—"The
more I see of other places, the bet-
ter I like Phoenix," writes Dr. R. R.
Brownfield, who with his family is
spending a few weeks at San Diego
and the beach towns. "And while
we are enjoying ourselves, we ap-
preciate very much the fact that the
Republican arrives regularly," con-
tinues the doctor, who has been a
subscriber, reader and friend of the
Arizona Republican since the first
day he arrived in Phoenix.

U. S. COURT CHANGE—Assistant
Clerk Bob Webb of the district court
has announced that the September
session will be delayed one week,
commencing on September 14 instead
of on the seventh. The reason, he
states, is to permit the scores of
witnesses and jurors to remain in
their own precincts through the pri-
mary election, which comes on Sep-
tember 8. The clerk's office yesterday
produced fifty subpoenas, for the
September session—which is quite a
grist this early in the summer.

MATRIMONIAL—A marriage li-
cense was issued yesterday to Eli-
wood Coleman Hedges, of Maricopa
county, and Marie Jennings, of San
Francisco, Cal.

BACK FROM THE COAST—E. W.
Bennett of the Bennett Lumber com-
pany returned yesterday from a
month's visit to Los Angeles and
coast resorts. Upon his arrival Hal
C. Bennett and family left for the
enjoyment of the same sea breezes.
While away the Bennetts will enjoy
California's good roads in the new
Marmion car.

KINNEY WAS LEFT OUT—In
printing the list of nominees of the
Republican party yesterday the name
of J. H. Kinney, republican candidate
for county treasurer, was left off the
list. Mr. Kinney's papers were filed
with those of the other candidates
of the party. He is too well known
in the valley to be left off of any-
thing. For years he has been prom-
inent in his party's councils here.

ORME HOME—President John P.
Orme of the Water Users' returned
from the coast yesterday. He says
that it is comfortably warm in Pho-
enix as compared with the winter-like
rigors of the California big cities.
Mr. Orme will at once begin prepar-
ing the statements to be made by the
association to Chief Counsel Will R.
King, who is to arrive in Phoenix
soon after the first of the month.

WHO FOUND HIS TICKET—Mr. R.
W. Sears of El Centro, Calif., returning
from a trip to Denver, Colo., de-
cided when he reached Maricopa to
take a look at Phoenix as he had never
seen the metropolis of the southwest,
and while looking over the town he
visited several places, also lost his note-
book containing his pass port to San
Diego, Calif. Anyone finding it will be
rewarded by presenting it to the
Southern Pacific depot before 8:30 a.
m. today.

GAME LAWS DISREGARDED

Judge Parker is receiving a num-
ber of complaints from farmers of the
valley, of the disregard shown for
the game laws and the law
which prohibits the shooting of fire-
arms from the public highway and
in the vicinity of habitations. Ranch-
ers living by the river have had
particular cause for complaint re-
cently, and Judge Parker gives this
out as a warning that efforts are
being made to suppress the nuisance.
NO TOURS—Yosemite—Gus
Noll, tour through the Yosemite
valley has opened up a splendid re-
lationship between the Northern Cal-
ifornia Auto club and the Phoenix
board of trade. It was in conse-
quence of inquiries Noll made to
Secretary Briggs of the auto club,
that this working partnership was
started. The board of trade will
boost California tours, and the auto
club will maintain an information
bureau on Arizona roads, particu-
larly the Phoenix-Roosevelt scenic
highway.

FARM EXPERTS AT PICNIC—
Prof. Stanley F. Morse, of the uni-
versity department of agriculture, has
assured the board of trade that he
will attend the joint picnic for the
farmers today, and will bring G. W.
Barnes, an expert farm advisor. Mr.
Barnes is a specialist on live stock,
and will give some good ideas of
farm advisor work. It is now prac-
tically sure that there will be farm
adviser service in this valley before
long. George Alkire, one successful
rancher, has gone on record as say-
ing that "I would like to have him
at my farm all the time!"

**THIRTEENTH HOUR CANDI-
DATES**—The completing list of nomi-
nation petitions filed with the clerk
of the board of supervisors after the busi-
ness hours of the office is as follows:
J. S. Jencks, republican and J. E. Nel-
son, republican, for state senator; Car-
roll Schuler, republican, O. E. Schupp,
republican, L. E. Bigley, republican,
and H. I. Helm, republican for the
house of representatives; E. E. Jack,
democrat, for member of the board of
supervisors; J. W. Martin, democrat,
for justice of the peace for the west
Phoenix precinct; T. B. Daniels, dem-
ocrat, for precinct committeeman,
Glendale; and Albert D. Leyhe, dem-
ocrat, for committeeman of the Phoenix
precinct No. 8.

TOO MUCH SPEEDING—There
have been many complaints just re-
cently of speeding in the main
thoroughfares of the town, more particu-
larly on South Central avenue.
There is a speed limit on that road
of fifteen miles an hour, designed to
keep the speed of vehicles within
reasonably safe limits. This, how-
ever, is completely disregarded by a
number of regular users of the
road, with the consequence that the
speed commission and law-abiding
users of the road have lodged many
complaints and Elmer Harman,
through their vigilance, was brought
before Judge Parker to answer a
charge of speeding. The nuisance on
Central avenue is being given espe-
cial attention by the speed commis-
sion, and every effort will be made
to prevent any further violation of
the law and the driving to the com-
mon danger which is becoming so
prevalent.

closing date close at hand the tardy
ones are besieging the office of the
county recorder in the court house,
and the registration officer is work-
ing like a Trojan. Last night the

work the office is to be kept open all

and the following Wednesday even-
ings. The closing date for registra-
tion is the 25th inst.

E. E. JACK ANNOUNCES—E. E.
Jack of Glendale is among the re-
cent nominees for the position of
member of the board of supervisors.

stock raiser of this valley, who has
been a man of affairs here, and
who has taken a deep interest in
the development of the section in
which he has made his home.

GOOD SHOWING AT EXAMS—
Twenty-nine entrants sat for the
teachers' examinations held in the
Central schoolhouse on Monday and
Tuesday. In the opinion of County
School Superintendent Riggins, who
had charge of the arrangements, this
was a very good showing. The work
was satisfactory throughout, and will
probably result in a greater per-
centage of passes than the examina-
tions of last year when there was
an entry list of forty-three. Of the
twenty-nine entries, ten sat for the
first grade, and sixteen for the sec-
ond, whilst there were two entries
for the drawing examination and one
for music.
